SEPTEMBER MINISTRY OPPORTUNITIES

What a full and blessed month September was! Thank you, Jesus!

COACH GRADUATION!

The first Lifeforming Coach class in Kenya has graduated, but two more are following! We never dreamed when we came here two years ago that Coaching would be a major part of Les' training of leaders. But, it is developing leaders in the church, business, and political worlds in East Africa! God, Your plan is way beyond our comprehension!

OCTOBER FUNDRAISING

Thanks for your interest in our ministry. If you'd like to get our weekly Prayer Update, just email me at Txtwyla@olg.com to let me know.

You may have noticed that we have stopped updating you monthly on our financial needs. We have chosen instead to once a year communicate our need for financial support. So, you'll be hearing from us in October about how you can partner with us in Kenya!

The first Kenyan Life Coach class at their graduation on Sept. 18. Besides the eight pictured here, there were three others who could not attend.

SARAH'S GRADUATION

COACH WORKSHOP SEPT. 2

Missionaries William, Denise, & Vivian Aludo with Twyla

Visiting TX Evangelist, Billy Banks, with Twyla

Visiting teacher from Australia, Liz Guntrip, with Twyla

A key facet of my ministry that has developed is hospitality to visiting and fellow resident missionaries. Some just come for dinner, but many stay for a night or more. So, we're also the Brickman Bed & Breakfast (& lunch & dinner!) This month was especially busy!

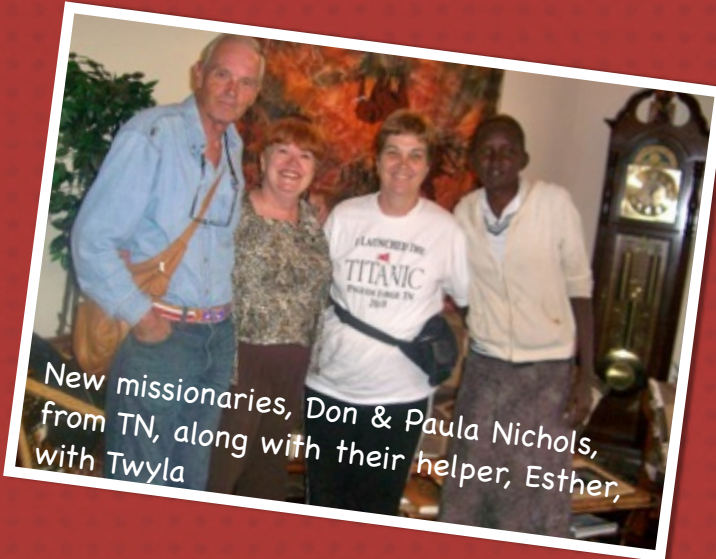

Visiting TX Evangelist to the Maasai, Don Babin, & his wife, Michelle, with Twyla & Les

Short-term missionaries from Ft. Worth, Amy Geron & Britney White

New missionaries, Don & Paula Nichols, from TN, along with their helper, Esther, with Twyla

Long-time Missionary, David Cerar, playing games with orphans he hosted for breakfast while we enjoyed the weekend with him in Limuru. Go to <http://www.facebook.com/album.php?aid=301345&id=661234306> to see our weekend getaway photos.

We visited Village Market on our way to Limuru where we saw more Moselms in one place than we ever have, even though we live near a Mosque. They were celebrating Eid.
